

Sparrow Hawk

2010

RESERVE RED WINE
NAPA COUNTY

We found our favorite lots of each varietal and meticulously achieved a final blend greater than any one component. This is truly an artisan wine handled with passion and respect from vine to bottle.

The clusters of these grapes are harvested by hand for careful selection and handling. The fruit is then brought to the winery in small bins and carefully sorted as to ensure the finest fruit is crushed. Before fermentation the fruit goes through cold maceration to develop full flavor, smooth tannins, and rich color. When the juice achieves desired texture then fermentation is allowed to proceed. This lush juice is then carefully barreled and aged 19 months to lend complexity and an element of sweetness.

Our Reserve Red represents some of our favorite fruit from the best blocks of the 2010 vintage. You'll find intense dark berry aromas with notes of oak and chocolate. The components of Merlot, Cabernet Franc, and Syrah combine to create deeply layered rich fruit leading to a lush mouthfeel and a long decadent finish.

APPELLATION NAPA COUNTY

VARIETALS MERLOT, CABERNET FRANC, SYRAH

AGING BARREL AGED 19 MONTHS IN 70% FRENCH OAK

ALCOHOL 14.5%

CASE PRODUCTION 1,300
